Experience

Freelance Video Editor & Graphic Designer
(Self-employed / Fiverr / Clients)

- Edited videos for YouTube, social media, and promotional content
- Used effects, transitions, and color grading to enhance video quality
- Worked with clients to understand requirements and deliver projects on time
- Strong ability to synchronize audio tracks with video footage, ensuring professional-quality output

Album Design

- Assisted in creating simple photo album layouts for weddings and events
- Used Adobe Photoshop for basic photo editing (crop, color correction, brightness)
- Arranged photos in clean and organized layouts
- Applied basic backgrounds, frames, and text styles
- Followed standard album sizes and print guidelines
- Delivered projects on time while maintaining design quality and client satisfaction

About Me

I am a Graphic Design enthusiast at a Technical College with a strong passion for video editing and digital content creation. I enjoy transforming ideas into engaging visual content while continuously improving my technical and creative skills. I am seeking opportunities to gain practical experience, collaborate on creativeprojects, and grow within themedia and design industry.
